

Registration Brochure for 2019 Asia-Pacific Youth Labor Trend Forum

I. Objective

The forum focus on labor trend, including international issue, local development, working ability, AI, and women in the labor force. Youth representatives from different countries, experts and scholars from different fields are invited to discuss the issue over the topic of youth competency development, future jobs, new technology, youth and senior collaboration, and social enterprise. The youth can understand the current situation and trend of labor market to develop their career path. The forum aims to provide the environment of digital innovation and cross-field diversified learning to help the youth enter the future labor market.
